LAST POST FUND FONDS DU SOUVENIR

Initiated under R. W. Bro. Carmine Infante and led by V. W. Bro. Harry Keleshian, Bro. Brian Patterson, W. Bro. Julian Forbes and R. W. Bro. Art Di Cecco, Toronto Don Valley District has undertaken the design and emplacement of a memorial to the many Masons who, as veterans returning from the First World War, were treated for PTSD and interred in the Lakeshore Asylum Cemetery.

Please contact V. W. Bro. Keleshian and donate to this worthy and important District initiative.

MESSAGE FROM THE D.D.G.M.

Resurgence

After several years of nudges, I finally joined my father and brother in Masonry, only to become disillusioned by the fact that all we ever did was portray the same three degrees over and over again. I didn't think that I'd last long. But then came the friendships, rekindled and new; the fun had over the evening's banquet and post-lodge fellowship; the satisfaction of doing a piece of the Work well; the responsibility of lodge office; the intellectual challenge in seeking to understand the Work; and the application of Masonic principles in one's day-to-day life. These fire our interest in and love of Freemasonry. Much of this we have missed during the pandemic-induced hiatus. We can all look forward to a resurgence when we are able to meet in lodge again. In the meantime, continue to make a daily advancement in your Masonic knowledge: you will be rewarded!

*Who climbs with toil, wheresoe'er,
Shall find wings waiting there.*
