## MARCH BLOOD DONATION CLINIC ANOTHER SUCCESS!

We are pleased to share the success of our recent blood donor clinic held on Saturday, March 29, 2025.

Under the leadership of **Brother Bryan A. Colombo**, our **District Chairman**, the event was a tremendous achievement with 33 participants in attendance - 18 Freemasons and 15 from the community. A total of 7 lodges were represented: 5 from the **TDV District**, 1 from **York**, and 1 from **Toronto East**.

Brother Bryan was satisfied with the results and hopes this momentum will continue with future blood drives. While we are grateful for the involvement of our Brothers, families, and friends, we also recognize that there is room for even greater participation.

With a district of 16 lodges, more Brethren are encouraged to participate in future clinics and events.

We extend our thanks to Brother Bryan for his time, dedication, and hard work in organizing this clinic. His efforts are a testament to the spirit of volunteerism and brotherhood that defines our district.

In addition to district events, each Lodge and all Brethren who are able are encouraged to attend regular Lodge meetings, installations, and official visits. These gatherings provide opportunities for fellowship, growth, and mutual support, strengthening our district.

Let us remember that our strength lies in unity and when our Lodges thrive, the entire district flourishes.

So, I urge each of you to stand side by side, fostering a spirit of unity where every Brother feels valued, supported, and empowered to contribute.

Together, let us build an even stronger, more connected, and vibrant district that stands as a beacon of Freemasonry. Thank you for your dedication, fellowship, and commitment to our shared values and goals.

**Toronto Don Valley District Freemasons: Forward Together, Stronger as One.**
